## Under Age 13 Statewide Activity for Detention Centers

Youth under 13 who are detained by the court represent very few of the youth in DJS detention centers. Rather than placing these youth in a detention facility, DJS most frequently uses an alternative to detention (ATD) with placement at home or in a shelter. However, if a youth must be in a detention center they are housed with youth closest in age and size. If deemed highly vulnerable they may be placed in the infirmary, with one-on-one staff supervision or sent to a smaller facility with a lower population. Wherever placed, youth under 13 receive all the same services as other detained youth.

### PLACEMENTS, FY 2016-2018

\* Youth can be counted in Pre-D, Post-D, and Ejection; therefore, the sum of the status categories may not equal the total.

## Statewide Under Age 13 Only

Although juvenile court jurisdiction includes youth ages 7-17, youth under age 13 are rarely committed to an out-of-home placement. Because of the needs of youth under age 13, they are most frequently placed in residential treatment centers, group homes, or therapeutic group homes. State-owned and operated committed facilities are designed for youth ages 13 years and older. Wherever placed, youth under age 13 receive all the same services that other committed youth receive.
